## The Birches welcomes first residents

With our certificate of occupancy approved, the staff was excited to roll out the red carpet and welcome the first group of Founder's Club members! Our three new residents settled in, getting familiar with their new apartments and the rest of the Memory Care neighborhood.

The following week, they tested out the new bus and went on their first outing to Peddler's Village, where they visited a few shops and enjoyed a treat at The Lucky Cupcake.

We are now waiting with great anticipation for our official state license which will allow us to move the rest of our depositors into the building.

***We still have apartments available and are accepting new deposits. To arrange a tour, call 267-714-5628.***

### Limited Personal Care apartments also available

We still have apartments available in Personal Care with prices starting at \$4,495! Included in the monthly rent are: three restaurant-style meals per day, 24-hour personal care, medication management, weekly housekeeping and linen service, a robust engagement calendar of events, and local transportation.
