Memory Care is ready for residents

Memory Care Dining Room

Memory Care Fireside Lounge

We are excited to announce that we have received our certificate of occupancy and have officially submitted our application for our state license. We are accepting our first three residents into the Daybreak Memory Care neighborhood in mid-October. Once we receive our license, we'll be ready to welcome additional new residents into our community.

Welcome to our care partners

In September, our management team hosted a reception to introduce the local health care partners who will be serving in our community to depositors and guests. Thank you to our new dining director, Chef Luther, for the delicious and outstanding variety of hors d'oeuvres and desserts!
